Coronavirus Vaccine Scams Warning

Action Fraud is warning the public to remain vigilant as criminals begin to take advantage of the roll out of the COVID-19 vaccine to commit fraud.

As of 7 January 2021, Action Fraud, the national reporting centre for fraud and cyber crime, had received 57 reports in relation to the COVID-19 vaccine.

How to protect yourself:

In the UK, coronavirus vaccines will only be available via the National Health Services of England, Northern Ireland, Wales and Scotland. You can be contacted by the NHS, your employer, a GP surgery or pharmacy local to you, to receive your vaccine.

Remember, the vaccine is free of charge. At no point will you be asked to pay.

- The NHS will never ask you for your bank account or card details.
- The NHS will never ask you for your PIN or banking password.
- The NHS will never arrive unannounced at your home to administer the vaccine.
- The NHS will never ask you to prove your identity by sending copies of personal documents such as your passport, driving licence, bills or pay slips.

If you receive a call you believe to be fraudulent, hang up.

If you are suspicious about an email you have received, forward it to report@phishing.gov.uk

Suspicious text messages should be forwarded to the number 7726 which is free of charge.

If you believe you are the victim of a fraud, please report this to Action Fraud as soon as possible by calling [0300 123 2040](tel:03001232040) or visiting www.actionfraud.police.uk

Please speak with relatives, particularly elderly and vulnerable relatives, to make sure they are aware and know how to protect themselves.

Kind regards
Joe Murray QPM
